BECOME A JUROR OR SEMI-FINAL ROUND OF JUDGING HOST

We thank the 1,000 + television experts - producers, performers, heads of channels, programming, distribution and acquisition executive from around the world, that took time out of their busy schedules to participate in the International Emmy Awards competition. We especially appreciate their contribution during this challenging year.

International television professionals interested in participating in the competition are invited to apply to become a juror for the 2021 season by sending your resume and short biography to the judging department at awardsdept@iemmys.tv.

International Academy Members interested in getting more involved in the judging process are encouraged to judge, and host an event in their region. To be considered as a host for the 2021 Semi-Final Round of Judging, please contact Nathaniel Brendel, Senior Director, Emmy® Judging at nathaniel.brendel@iemmys.tv.
