

INTERNATIONAL EMMY® AWARDS

2022 Performer Agreement

I, _____ (**please print name**), hereby acknowledge that one or more of my on-screen performances have been submitted into the 2022 International Emmy® Awards competition. The 50th International Emmy® Awards will be held on November 21, 2022 in New York City. I understand that if nominated, I am expected to attend in person.

I acknowledge, that out of consideration and respect for fellow best actor/actress nominees, the Academy asks all best actor/best actress nominees to be present at the awards ceremony, and I agree to make my best efforts to do so. The Academy will determine if this best efforts clause has, in fact, been complied with; if not, and in deference to other nominees who are present, I agree that the Academy may take any action it deems appropriate.
