

# 2021 INTERNATIONAL EMMY® AWARDS GALA HOST

## YVONNE ORJI ACTRESS & COMEDIAN

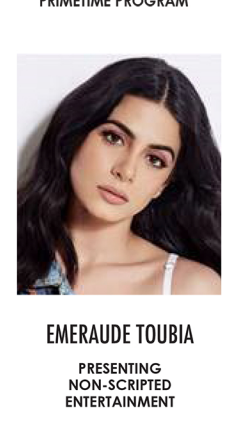

Yearly Departed will premiere exclusively on Prime Video in December in more than 240 countries and territories worldwide. Orji hosts the second edition of this comedy special bringing together a roster of all female comics to toast the year.

Emmy® nominated Nigerian American actress and comedian Yvonne Orji is the co-star of *Insecure* and host of Prime Video's second *Yearly Departed* comedy special which will air on December 23.

Orji is known for her 1-hour Stand-Up Special and performance as Issa Rae's best friend and fan favorite, "Molly" on the HBO comedy series, *Insecure* which garnered her an Emmy Nomination for best supporting actress. Her 1 Hour Stand-Up Special, *Mamma, I Made It* was shot in the two places Yvonne called home while growing up, Washington DC and Nigeria. Prior to the taping, she embarked on a domestic tour which included sold out shows in New York and Los Angeles. She has opened for Chris Rock in a number of venues across the country including Madison Square Garden and the Barclays Center. Her debut book, *Emboldened by Jesus: How God Tricked Me into the Life of My Dreams* was released in spring of 2020. In addition to Yvonne's work on camera, she is executive producing an autobiographical comedy entitled *First Gen* which is currently in development at Disney+.
