

2022 INTERNATIONAL EMMY® AWARDS HOST

PENN JILLETTE COMEDIAN & WRITER

Penn Jillette is a cultural phenomenon as a solo personality and as half of the world-famous Emmy Award-winning magic duo and Las Vegas headliners Penn & Teller.

Together since 1975, Penn & Teller's live show spent years on Broadway and is now the longest-running headliner show in Las Vegas where it plays nightly at The Rio All-Suite Hotel & Casino. The pair has been awarded Las Vegas Magicians of the Year an amazing nine times.

His solo exposure is enormous: from *Howard Stern* to *Jimmy Fallon*, from *Oprah* to *Colbert*, to the Op-Ed pages of *The New York Times*, *The Wall Street Journal*, and the *Los Angeles Times*. He has appeared on *Dancing with the Stars*, *The Masked Singer*, as a guest judge on *Britain's Got Talent*, *Saturday Night Live*, and hosted the NBC game show *Identity*. As part of Penn & Teller he has appeared on hundreds of shows, from *The Simpsons* and *Friends* to *Billions* and *Young Sheldon*. He recently co-wrote an episode of the Emmy-winning Netflix series *Black Mirror*.

He created and cohosted the controversial Showtime series *Penn & Teller: Bullshit!* which was nominated for thirteen Emmy Awards, won him a Writers Guild award and was the longest-running show in the history of the network. He currently co-hosts the CW Network hit competition series *Penn & Teller: Fool Us!* which was nominated for a 2017 Critics' Choice award. The series returned for a ninth season in October 2022.

In 2020 he co-wrote the smash West End comedy *Magic Goes Wrong*, along with Teller and Mischief Theatre, which was nominated for an Olivier for Best Comedy Play.

Penn's latest book, the New York Times Best Seller, "*Presto!*" takes an insightful and very humorous look at his recent weight loss and wellness journey. His previous book, "*God No! Signs You Might Be An Atheist and Other Magic Tales*", spent six weeks on the New York Times Best Sellers list.

His weekly podcast, *Penn's Sunday School*, was the No. 1 downloaded podcast on iTunes during its debut week and was named by iTunes as Best New Comedy Podcast.

On the big screen, Penn produced the critically lauded 2005 documentary *The Aristocrats*, which features over 100 of the biggest names in comedy telling their versions

of the dirtiest joke in history. He produced *Tim's Vermeer*, which follows the journey of an eccentric inventor determined to solve one of the art world's oldest mysteries. The Sony Pictures Classics release was nominated for a BAFTA and was shortlisted for the 2014 Oscars. He has recently completed the documentary *The Gambler's Ballad* profiling magic legend Johnny Thompson. It premiered on Showtime in early 2018.

As a philanthropist, his efforts have resulted in raising millions of dollars for Las Vegas-based charities AFAN (Aid for AIDS NV) and Opportunity Village. The annual "Penn & Teller's 13 Bloody Days of Xmas" continues to be the most successful blood drive in the Las Vegas Valley, resulting in an average of 4000 pints donated every holiday season.

Penn & Teller have their very own star on the Hollywood Walk of Fame and triumphantly returned to Broadway recently with *Penn & Teller On Broadway*, which was the highest-grossing non-musical for the entirety of its run.
